## Principal's Perspective

**Nicholson Elementary is  
a welcoming, happy  
place to be.**

**We are a community of  
life-long learners who  
connect, synergize, and  
positively influence each  
other and the world  
around us.**

**We strive for success  
today and prepare for  
success tomorrow.**

A Happy New Year to our Nicholson Families and all the best in 2023! We arrived back on Tuesday with a lot of new snow so the students are happily building forts, burying each other in the snow and crazy carpeting down our little hill. Students need to be dressed with all their outdoor gear; coat, snow pants, mitts and a toque in order to partake in these outdoor activities.

Our Nicholson Parent Advisory Committee and the Nicholson Staff are working towards having a Shared Community Gazebo built on the Nicholson Elementary Playground. The PAC and staff have been fundraising, requesting donations and writing grant applications in order to raise the money needed for this project. A great big shout out to Juniper Kelly for all the hard work she has put into this project. If you have any ideas for fundraising, please let the school know as we work towards this goal.

Seeing all of the students smiling, happy faces after the break uplifts our hearts and we are all eager to continue the learning.

Sincerely,

Ms. Margo Reinders
