School District No. 6 Rocky Mountain

Principal's Perspective

Nicholson Elementary is a welcoming, happy place to be.

We are a community of life-long learners who connect, synergize, and positively influence each other and the world around us.

We strive for success today and prepare for success tomorrow.

Just a reminder that **April 24th is a Non-instructional day.** There is no school that day. Enjoy your long weekend.

April 26th is an Early Dismissal Day, school finished at **2:15pm**

Welcome back after the Spring Break. We hope you all had a fun and rejuvenating Spring Break. We have entered the eighth month of the school year, and how we have learned together during this time. We will continue to grow and learn new things in these last months so supporting your children in being at school will help them to advance their own personal growth.

All classes are enjoying the warmer weather and recognizing the unique signs of spring. We are all enjoying being outside during this time. Earth Day is on April 22nd and we have plans to spend time outdoors on April 21st, cleaning up our playground and parts of the Nicholson Community.

April 26th is an Early Dismissal Day, school finishing at 2:15 pm. This is a time where you can meet with your child's teacher to check-in if you have any questions or concerns.

I am looking forward to learning and exploring alongside your children in the coming months. Thank you for entrusting us with this very important job. We appreciate when you reach out and let us know when there are events taking place in your child's life that may affect their happiness at school, please continue to connect with us so that we can support the growth of our students' minds, bodies and spirits.

Sincerely,
Margo Reinders

Leadership Hour

Our “student leaders” will have the opportunity to teach others a skill or activity.

Students have submitted their ideas, it could be a sport, game or craft, just to name a few ideas.

On April 17th they will get the chance to be the teacher for an hour. This is a great opportunity to engage and learn a new skill.

Tim Hortons.

Grade 7's will be attending the Tim Hortons Camp May 1-4th. This has been a big hit in previous years and we are so fortunate to be able to have it return this year.

There will be in an informational parent meeting held at:
Lady Grey Elementary School
Tuesday April 11th 5:15pm

Forms will be handed out at this time. If you are unable to attend please let me know and we will have them sent home with your child on Tuesday.
