“Home of the Nicholson Nighthawks”

Rocky Mountain School District #6

November 2, 2023

Principal's Perspective

November is upon us and winter is on its way. We have all settled into our classroom routines and now the deeper learning is taking place. Thank you to all that came out to the informal conferences that took place last week. Your children loved the opportunity to share their learning with you. If you were unable to attend the informal conferences, please contact your child's teacher to set up a time for this.

November Happenings: We have booked the Golden Arena to sharpen our skating skills. Thank you to the parent volunteers who have been cooking us a healthy meal during our Monday Hot Lunch, the next Hot Lunch is November 20th. I encourage you all to come out to the next Parent Advisory Committee (PAC) Meeting on Wednesday, November 22nd at 3:30 pm. As well, all are welcome to attend the Nicholson School Remembrance Day Ceremony on Thursday, November 10th at 9:00 am. Happy November!

Ms. Margo Reinders

**Parent Advisory Meeting
School Library
Wednesday, Nov. 22nd
3:30pm**

Nicholson Elementary

Is a welcoming happy place to be.
We are community of life-long learners who connect,
synergize and positively influence each other and the
world around us.

We strive for success today and prepare for success
tomorrow.

erase Family Sessions 2023/2024

Questions regarding general erase training may be emailed to: erase@gov.bc.ca

Training Offering	Dates	Delivery	Registration Link
Family Session: Establishing Safe, Caring, & Respectful Digital Communities – Everyone Welcome! Recommended for Parents/Caregivers/Grandparents and youth aged 10 and up as a way to facilitate the conversation of safe and caring use of technology at home and in the community. This session covers all things digital, from how to be a good digital citizen, the criminal consequences of cyberbullying, and how to report and receive support in cases of sexting/sexortion. Some of the most prominent concerns currently surrounding use of social media platforms, smartphones, and artificial intelligence will be discussed.	November 8, 2023 6:30pm – 7:30pm	online	https://www.eventbrite.ca/e/732334942527?aff=oddtcreator
