*"Home of the Nicholson Nighthawks"*

School District No. 6 Rocky Mountain

January 9, 2024

## Principal's Perspective

Nicholson Elementary is a welcoming, happy place to be.

We are a community of life-long learners who connect, synergize, and positively influence each other and the world around us.

We strive for success today and prepare for success tomorrow.

A Happy New Year to our Nicholson Families and all the best in 2024! We arrived back on Monday with some new snow so the students are happily building forts, burying each other in the snow and crazy carpeting down our little hill. Students need to be dressed with all their outdoor gear; coat, snow pants, mitts and a toque in order to partake in these outdoor activities. The colder weather is forecast to arrive later this week. Please check that your child is dressed for the weather as they leave the house in the morning. All students are outside in the morning before school when it is at its coldest, by lunch time it has warmed but realize that the students are outside for 35 minutes during this break. A warm child is a happy child.

Seeing all of the students smiling, happy faces after the break uplifts our hearts and we are all eager to continue the learning.

Sincerely,

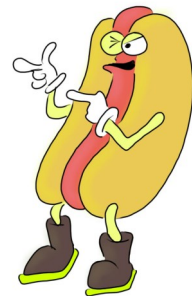

Ms. Margo Reinders
