School District No. 6 Rocky Mountain

Principal's Perspective

Nicholson Elementary is a welcoming, happy place to be.

We are a community of life-long learners who connect, synergize, and positively influence each other and the world around us.

We strive for success today and prepare for success tomorrow.

Welcome to March!

The second formal report card will be coming home with your child on Monday, March 11th. Please sign and return the brown comment sheet and the report card envelope to the school as soon as possible. The documents inside are yours to keep. If you have any questions about this Learning Update please check the "interview requested" box found in the parent comment section and your child's teacher will contact you to set up an interview.

These are Term 2 Report Cards, but beside the Proficiency Level in each subject area it says Term 1, this is a technical glitch.

A great big thank you to all our volunteers who make so many activities possible for our students to take part in - downhill skiing, cross-country skiing, skating, hot lunch and the Nicholson Parent Advisory Committee support in fundraising.

I look forward to continuing to learn alongside all the members of our Nicholson School Community. We appreciate when you reach out and let us know when there are events taking place in your child's life that may affect their happiness at school, please continue to connect with us so that we can support the growth of our students' minds, bodies and spirits.

Sincerely,

Ms. Margo Reinders

A BIG pat on the back to the Student Lighthouse Team

This group brain storms and organizes school wide events. For example they work hard spearheading the Art Show, Science Fair and the Talent Show. You will find the members hosting, working in the background, and welcoming the community to our school events.

Thank you so much for all your hard work and dedication to school community and spirit.
