Principal's Perspective

Nicholson Elementary is a welcoming, happy place to be.

We are a community of life-long learners who connect, synergize, and positively influence each other and the world around us.

We strive for success today and prepare for success tomorrow.

Dear Nicholson Elementary School Community:

We have entered the last month of school and we are experiencing some nice days and some not so nice days. We all continue to enjoy learning and playing outside, so please support your child in dressing for the weather. It is a great time to dress in layers and wear a t-shirt with a hoodie/coat for the chilly morning. Please check that your child(ren) have a water bottle every day as they leave the house, we will continue to support them keeping hydrated.

We have some fun activities planned for the month of June such as the Grade 7 Celebration in the morning on June 21st as well as celebrating National Indigenous Peoples Day, and the Winits in the afternoon of June 27th for all students. Parents are welcome to attend the above mentioned events and we will send out more details in the near future. Please see the calendar at the end of the newsletter to see other activities happening in the last weeks of the school year.

Sincerely,

Ms. Margo Reinders
Principal
