## Principal's Perspective

Welcome to November! We have had a skiff of snow, rain and sunshine; a normal fall. Please check your children every morning to see that they are dressed for the weather, which should include a coat, mitts and a toque. Once the snow settles in, snowpants as well. Warm and dry children are happy children. Thank you for your help in preparing your children for a positive day.

We have all settled into our classroom routines and now the deeper learning is taking place. Thank you to all that came out to the informal conferences that took place at the end of October. Your children loved the opportunity to share their learning with you. If you were unable to attend the informal conferences, please contact your child's teacher to set up a time for this.

Please know that I am always available for questions or support as this is one of my most important jobs. When students feel safe and happy at school, they are ready to learn.

Sincerely,

Ms. Margo Reinders
