Principal's Perspective

Nicholson Elementary is a welcoming, happy place to be.

We are a community of life-long learners who connect, synergize, and positively influence each other and the world around us.

We strive for success today and prepare for success tomorrow.

A Happy New Year to our Nicholson Families and all the best in 2025! We arrived back on Monday with some new snow so the students are happily building forts, burying each other in the snow and crazy carpeting down our little hill. Students need to be dressed with all their outdoor gear; coat, snow pants, mitts and a toque in order to partake in these outdoor activities.

The month of January and February bring with it downhill skiing for the Grade 4-5's and cross-country skiing for the Grade 2-3's and 6-7's. We are so fortunate to have these opportunities for our students and a great big thank you to the Whitetooth Ski Society which will financially support the grade 4/5's downhill skiing.

I look forward to continuing to learn alongside all the members of our Nicholson School Community. We appreciate when you reach out and let us know when there are events taking place in your child's life that may affect their happiness at school, please continue to connect with us so that we can support the growth of our students' minds, bodies and spirits.

Seeing all of the students smiling, happy faces after the break uplifts our hearts and we are all eager to continue the learning.

Sincerely,

Ms. Margo Reinders
