"Home of the Nicholson Nighthawks"

School District No. 6 Rocky Mountain

February 6, 2025

Principal's Perspective

Welcome to February! It has been a cold start to the new month. Please continue to check that your child is dressed for the weather as they step out the door in the morning. A warm and dry student is a happy and ready to learn student.

The month of January and February bring with it downhill skiing for the Grade 4-5's and cross-country skiing for the Grade 2-3's and 6-7's. We are so fortunate to have these opportunities for our students and a great big Thank You to the Whitetooth Ski Society which financially supports the grade 4-5's downhill skiing. And a great big Thank You to the Nicholson Parent Association which financially supports the cross-country ski program for the Gr. 2-3 class and the Gr. 6-7 class.

We have started our Whole School Friday Morning Snack again this year. We received a grant from the Breakfast Club of Canada to support this initiative. We had croissants last Friday made by Pauline's French Macarons. They were delicious!

Please know that I am always available for questions or support as this is one of my most important jobs. Let me know if there is a way that I can support your children to 'shine' in their own unique and precious way.

Sincerely,

Ms. Margo Reinders
Principal, Nicholson Elementary School
