Principal's Perspective

Dear Nicholson Elementary School Community:

Nicholson Elementary is a welcoming, happy place to be. We are a community of life-long learners who connect, synergize and positively influence each other and the world around us.

We strive for success today and prepare for success tomorrow.

We have entered the last month of school and we are experiencing some nice days and some not so nice days. We all continue to enjoy learning and playing outside, so please support your child in dressing for the weather. It is a great time to dress in layers and wear a t-shirt with a hoodie/coat for the chilly mornings. Please check that your child has a water bottle every day as they leave the house, we will continue to support them keeping hydrated.

We have some fun activities planned for the month of June such as the Grade 7 Celebration in the morning on June 20th, celebrating National Indigenous Peoples Day, June 18th in the afternoon and a Fun Afternoon planned by the Student Lighthouse Team on June 25th in the afternoon. Parents are welcome to attend any of the above mentioned events and we will send out more details in the near future. Please see the calendar at the end of the newsletter to see other activities happening in the last weeks of the school year.

This is my good-bye to the Nicholson Elementary Community. I have thoroughly enjoyed learning alongside the staff and students this past 6 years. As I move onto a new adventure as a teacher at Alexander Park Elementary, know that I will miss each and every member of our wonderful community.

Sincerely,
Ms. Margo Reinders
Principal

Lets take a moment to recognize some key groups
and people here at our school community:

Our Volunteers:

You have no idea, when it comes to volunteers how
lucky we really are. Some of our volunteers are
seasoned parents and have been stepping up for
years! This year we welcomed grandparents to the
fold and they have been amazing! Our new parents to
the school have been helping in so many ways. Our
swimming and school field trips as well as helping
during the Spring Fling you guys have been amazing.
Thank you so much!

Ms. Reinders:

Our school has been so fortunate to have so many
fantastic administrators come and go. This year will
be the last year that we will have Ms. Reinders
leading us. As a newer Administrator she lead the
charge through the Covid pandemic and navigated us
through it with grace and kindness. She continued to
be that same leader through the years. One that we
all look up to and turn to when things go sideways
and to be our cheer leader and share in the joy when
things go right. Her presence will be missed here at
Nicholson, but we are certain that she will do
amazing things at her new posting in Alexander
Park. Thanks you Ms. Reinders, always.

Our PAC:

From the beginning of the year to the very end, these
members assist us in so many ways. Without their
unwavering support we would be strapped to send
kids on field trips, having new books in the
classrooms or eating scrumptious lunches once a
month. These members organize fundraisers that
help build community and opportunities for fun with
our families at least 3 times in the year. They are the
backbone of our school and we are so blessed to have
them with us. Thank you, we appreciate you!
